

AZ Building Tops Off

Northgate Cyberzone once again proved its claim as the “IT Hub of the South,” with the recent topping-off of AZ Building, a 10-storey development located with the PEZA-certified IT Park in Filinvest City, Alabang.

AZ Building offers an additional gross leasable area (GLA) of 19,636 square meters to Northgate Cyberzone. Designed to cater to the needs of business process outsourcing (BPO) offices and call centers, it features 10 storeys and two levels of basement parking areas.
